**Speaker:** Ashwin Ramani

## REFLECTIONS ON TODAY'S MESSAGE

1. Daniel's prayer was sparked by reading Jeremiah's prophecy. Have you ever had a moment when Scripture directly influenced how or what you prayed? What would it look like to make this a regular habit in your devotional life?
2. Daniel confessed both his sins and the sins of his people. In what areas might our church or community need to practice corporate repentance?
3. So often our prayers are focused on personal comfort. Can you think of a time when God's reputation was clearly at stake in your life or circumstances? What does it practically look like to reframe our prayers around God's glory?
