REFLECTIONS ON TODAY'S MESSAGE

Reverence: How can we personally and as a church better prioritize worship in our prayer life, focusing first on who God is before bringing our requests?

Response: What are some areas in your life where you need to surrender more fully to God's will, and how does the phrase "Your Kingdom come, Your will be done" challenge your current mindset?

Requests: When asking God for daily needs or interceding for others, how can we deepen our prayers beyond simple requests? How might reflecting on God's character first change the way we pray?

Readiness: In what ways can we prepare ourselves through prayer for the spiritual battles we face daily?
