EPHESIANS 3:20

Why Are We Participating in Seeds?

This year, we're setting out on a faith-filled journey to pay off our \$520,000 mortgage. Doing so will allow West Park to move forward with greater freedom as we pursue our mission:

Everyday People on a Journey Together, Pursuing Christ.

How Does It Work?

It all begins with prayer. We're inviting you to ask God how He might lead you to give—sacrificially and above your regular tithe—as part of this journey of faith and generosity.

Our hope is that every church family will be part of this together. To help guide us, we've created a 20-day prayer journey. You can download the prayer guide at

Dear West Park Family,

In 1961, a small group of believers gathered for prayer, seeking God's direction for a new evangelical church in northwest London that would faithfully preach the gospel. Out of that humble beginning, **West Park Church** was born!

I'm inspired by the faith and foresight of those who paved the way for us. Because they trusted God, West Park stands today as a thriving, Christ-centered community where lives are being transformed.

Today, we are presented with an incredible opportunity to **leave a lasting Kingdom impact**. As we step out in faith through this year's **SEEDS Campaign**, our goal is to raise **\$520,000 to pay off our mortgage**. Becoming mortgage-free will position us for even greater growth and expanded ministry as God continues to bless our church.

Let's give with gratitude, trusting God to bless the generations yet to come. **May the Lord use our collective generosity to write the next chapter of His story through West Park.**

Blessings,
Pastor Ashwin and Elder Board
