

## Materialism Self-Evaluation

• Practical steps I will take to address my areas of weakness:

---

• I practice generosity.

• I enjoy what I have but I'm not enmeshed in it.

• I am thankful for and satisfied with what I do have.

• I resist impulse spending.

• I have a budget including thoughtful earning, spending, saving, and giving.

• I pray before I make large purchases (or before I buy on credit.)

• I trust God that He will meet my needs.
