

Lead Pastor Succession Update
Sunday, September 10, 2023

WestPark Church,

The Elders wanted to give you an update on developments in our WestPark Lead Pastor search.

The individual that we have been journeying with for the past couple months has made the decision not to continue to candidate for this position.

He was genuinely conflicted, stating that he loves WestPark Church, its culture, its ministries and potential. He has felt welcomed and valued in every interaction with individuals that he met on this journey. The reason for this decision is not that there was not a strong draw to WestPark, but rather, a lack of God's peace in being released from his present ministry.

Although this individual was an excellent candidate for the Lead Pastor role at WestPark, God remains in control. We believe that He will guide us to the right person for WestPark. The Elders are at peace to have this door closed allowing us to regroup and see where God will take us.

Please continue to pray as we continue serve the church in this important capacity.

Blessings,

Dan Bird
