

Title: God's Reach
Speaker: Ashwin Ramani
Scripture: Jonah 3

Notes:

1. Understanding God's Grace:

God is a God of second chances, as seen in His dealings with Jonah and Nineveh. How have you experienced God's grace and second chances in your own life? How can these experiences shape the way you extend grace to others?

2. Expecting Transformation:

The transformation of Nineveh is presented as a powerful example of what can happen when people respond to God's message. In what ways can we, as individuals and as a church, cultivate a sense of expectancy for God to bring about transformation in our communities?

3. Balancing Sovereignty and Responsibility:

The sermon touches on the paradox of God's sovereignty and human responsibility. How do you understand the balance between God's control over events and our personal responsibility to make choices? How does this understanding influence your daily decisions and actions as a Christian?
