

## Lead Pastor Search Announcement 9, July 16, 2023

Thank you WestPark for your fervent prayers for the church to know God's will, all through the Lead Pastor search.

June 30<sup>th</sup> was the deadline for qualified people, interested in this position at WestPark, to reach out to our consultant Steve Adams. We have had several great candidates express interest right up to that date and even beyond.

God is good. We are excited to announce that we believe your prayers have been answered. The entire Elder Board is united in sensing God's direction to continue our process with one candidate. We have already had two ZOOM interview meetings with this individual and are planning more.

Should God continue to move us in this direction, we would finally invite our candidate to preach at WestPark on the Labour Day weekend, Sunday September 3<sup>rd</sup>. You would have the opportunity to meet the candidate and his family that evening in a more informal social time at the church. A congregational vote would be held soon after.

Please continue to pray for wisdom and sensitivity to God's leading for both the Elder Board as well as our future Lead Pastor.
