REFLECTIONS ON TODAY'S MESSAGE

1. What are some subtle ways greed can show up in our lives today – even among people who love Jesus?
2. How does viewing ourselves as stewards rather than owners change the way we handle money, possessions, or even time?
3. What are some creative or practical ways we can channel our blessings—financial or otherwise—for the good of others and God's Kingdom?
3. Jesus ends the parable with the challenge to “be rich toward God.” What does that phrase mean to you personally? How can we measure “richness toward God” in our lives compared to how the world measures success or wealth?
