

## **Lead Pastor Search Update**

Sunday, November 19, 2023

WestPark Church,

First, I would like to thank all of those that participated in the 30 Day's of Prayer initiative that concluded on November 5th. Please be encouraged. God provides. In the last few weeks, our consultant, Steve Adams, reports that much interest in this position has been stirred. At present, we are in the early stages of getting to know a potential candidate.

Please remember, we are not interested in simply filling a role vacancy. We are actively committed to finding and engaging the individual God will use to firmly and faithfully lead WestPark, in biblical truth and through turbulent days.

As you pray for WestPark ministry needs, your church leadership asks that each of you continue to faithfully remember the Lead Pastor search.

During this transition period, we continue to praise God for His care and provision with the very evident increase in both growth and generosity at WestPark.

Blessings,

Dan Bird

*Elder Board Chair*
